

CLIMB ON!

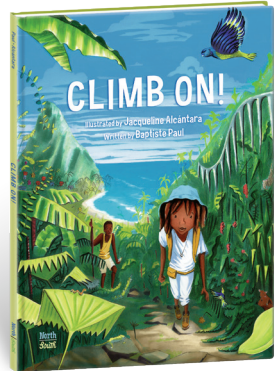

Pronunciation Guide

The Creole Words In *Climb On!*

Did you know that Creole words are a mixture of different languages? Creole is different from place to place! In St. Lucia, Creole is a mixture of French and West African languages, as well as English and Carib.

The Creole words below are featured in *Climb On!* and come directly from the Creole language as spoken in the Pitons area of St. Lucia. Click on the words to hear how they are being pronounced and try it as you find them throughout the book.
